

Product Name: MICROFAB SC-28 MAKE UP
Lot Number: 02275391
Manufacture Date: January 06, 2025
Shelf Life: 1,080 Days
Expiration Date: December 22, 2027

CERTIFICATE OF ANALYSIS / CONFORMANCE

CHARACTERISTICS	SPECIFICATIONS			RESULTS	UNITS	TEST METHOD
	Minimum	Target	Maximum			
Arsenic			3.000	<0.250	mg/L	STM-01587
Cadmium			3.000	<0.050	mg/L	STM-01587
Chloride	45.00		55.00	50.23	mg/L	STM-01686
Chromium			3.000	<0.050	mg/L	STM-01587
Cobalt			3.000	<0.050	mg/L	STM-01587
Copper	26.0		30.0	28.1	g/L	STM-01686
CVS Baseline	15.000		30.000	22.497		STM-01695
Indium			3.000	<0.200	mg/L	STM-01587
Iron			3.000	<0.050	mg/L	STM-01587
Lead			3.000	<0.200	mg/L	STM-01587
Magnesium			3.000	<0.050	mg/L	STM-01587
Manganese			3.000	<0.050	mg/L	STM-01587
Metallic Impurities			30.0	<10.0	mg/L	STM-01578
Nickel			3.000	<0.050	mg/L	STM-01587
Particle Count > 0.20 micron			1,000.00	0.11	Counts/1.00mL	STM-01758
Particle Count > 0.30 micron			100.00	<0.02	Counts/1.00mL	STM-01758
Particle Count@0.20-0.25 micron			1,000.00	0.09	Counts/1.00mL	STM-01758
Particle Count@0.25-0.30 micron			500.00	0.02	Counts/1.00mL	STM-01758
Silver			3.000	<0.100	mg/L	STM-01587
Sodium			5.000	<0.100	mg/L	STM-01587
Sulfuric Acid	170.0		210.0	188.8	g/L	STM-01686
Thallium			3.000	<0.250	mg/L	STM-01587
Tin			3.000	<0.250	mg/L	STM-01587
Total Carbon			20.0	<1.0	mg/L	STM-01687
Zinc			3.000	<0.050	mg/L	STM-01587

Note: All "less than" (<) values indicate measurement values below the instrument/method detection limit.
 Numerical results listed without Minimum and Maximum Specifications are provided as Read and Record (test performed, result recorded, specifications limits not required).

Compliance Statement

We certify that the products detailed hereon have been manufactured from approved raw materials and fully conform to our Quality Assurance requirements, and meet the compositional requirements of the specification(s) listed.

Quality Authorization

This certificate is electronically transmitted;
 therefore, no signature is required

For storage and shelf life guidelines refer to the technical bulletin
